Looks great. Thanks you guys. Once you've made Rebekah's corrections it can go to OSRE. Sounds like she will send it.

Rebecca,

Attached is the Ceiling increase AM for Fruitland for your review. Please expedite your review, if possible, as we would like to get this moving and funded asap (and it takes our contracts folks 2 weeks after this is signed.)

Please let us know if you have any thing you need on this.

Thanks,

Michelle
